DETAILED ACTION

1. The following is a Notice of Allowability in response to the Amendment received on 19 July 2006. Claims 1 and 11 have been amended. Claims 1-22 remain pending in this application.

EXAMINER'S AMENDMENT

2. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Robert W. Holland, Reg. No. 40,020 on 13 September 2006.

The application has been amended as follows:

IN THE CLAIMS:

Claim 11 line 6, deleted "configuration" and inserted--component
identification code--.

REASONS FOR ALLOWANCE

3. Claims 1-22 are allowed.
4. The following is an examiner's statement of reasons for allowance:

As per claim 1, the prior art of record taken alone or in combination fails to teach the cooling system controller is further operable to select one or more cooling parameters for adjusting cooling system performance, the selection by lookup of the component identification code from the cooling system parameter table.

As per claim 11, the prior art of record taken alone or in combination fails to teach looking up cooling system parameters associated with the component identification code from a table stored on the information handling system.

As per claim 18, the prior art of record taken alone or in combination fails to teach an operating curve selector interfaced with the fan controller and operable to obtain component identification information from the one or more components and to select an operating curve associated with the component identification information for use by the fan controller.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should

preferably accompany the issue fee. Such submissions should be clearly labeled

"Comments on Statement of Reasons for Allowance."

Conclusion

5. The prior art made of record and not relied upon is considered pertinent to applicant's disclosure.
